Organization Name:	Dahari
Country:	Comoros
Reporting Quarter:	FY17 Q3 (January to March 2017)
Person submitting Report:	Médéric Carpier

<Highlight 1>: Video produced and articles

As part of the reforestation activities realized during the rainy season we organized with the communities some campaigns being the objective to motivate the population to plant some trees on their plots. At the end of January, the community management bodies at Adda, place localized in the Moya Forest, and the Dahari staff organized a special day to plant trees included the nearest population. Then to begin the reforestation campaigns in 2017, at Adda, Dahari realized:
