

## GEF-Satoyama Subgrantee Highlights Report

Organization Name:	Fauna & Flora International
Country:	Myanmar
Reporting Quarter:	FY18 Q2 (October to December 2017)
Person submitting Report:	Zau Lunn

<Highlight 1>: Fish surveys and initial consultation meeting with communities was conducted in the villages along the Lenyar River in the proposed Lenyar National Park.  
An initial consultation meeting with local communities in the villages along the river was conducted in proposed Lenyar National Park in Tanintharyi Region.

<Highlight 2>: Fish surveys and initial consultation meeting with communities was conducted in the new villages along the Mali Hka River.  
Because of invitations from the villages along the Mali Hka River for the establishment of more FCZs, consultation meetings with communities and fish surveys were conducted.

<Highlight 3>: Provide T-shirts, cameras and FCZ signboards for the patrolling along the FCZs.  
For the effective patrolling, FCZ T-shirts and cameras were provided to the FCZ villages in the Hponganrazi Wildlife Sanctuary.

<Highlight 4>: Erect FCZ sign boards along the FCZ villages in the Hponganrazi Wildlife Sanctuary.  
FCZ sign boards were erected along the rivers and tributaries in the Hponganrazi Wildlife Sanctuary by the agreement of local communities, the District Fisheries Department and Hponganrazi Wildlife Sanctuary authorities.

<Highlight 5>: Video documentary on the establishment of FCZ in the Putao District.  
A Video documentary on the establishment of FCZ along the tributaries in the Hponganrazi Wildlife Sanctuary was taken to be shown for awareness raising in the local ethnic groups.
